V.A.T. Reg No. 112993959

Certificate of Compliance

ALKALINE ZINC & TRIVALENT PASSIVATE PLATING

**PROTEX Zinc Plating conforms to British Standard
BS EN ISO 2081:2008**

Designation **Zn8/A for clear zinc**
 Zn8/C for colour zinc

**Where the 8 refers to an average of 8 microns thickness
which is equivalent to 0.0003” imperial.**

The A & C refer to the service conditions 1 & 2 i.e.
A - Indoors in a warm dry atmosphere.
C - Indoors in places where condensation may occur.

Robert Hunt
Quality Manager

**For and on behalf of
PROTEX FASTENERS LTD.**
